

Art Escapes Workshop

Playful Abstracts, Joyful Painting

Enjoy a weekend of art and friendship. Have fun while you learn new techniques to create playful abstract and semi-abstract paintings, with layers of color, collage, stencils and intuitive mark making. I can't wait to share painting techniques that let your heart sing. You'll be surprised to see self-criticism take a back seat to your own creative voice. That's when the fun begins! I hope you can join me.

Renew, Refresh, Reconnect

It's finally time to paint with friends!

I'm delighted to offer an intimate workshop for 10 participants in a beautiful, light-filled, spacious studio space.

Join me to play acrylic paints, collage, stencils, inks and a variety of mark making tools. Watch images evolve with depth and meaning as you freely add layers of color, pattern and texture. I'd love to share the new approaches, abstract direction and techniques I've learned over the past 15 months.

This workshop is for realistic painters and abstract artists, beginners and pros (and everyone in between). What we share is our love for art-making, and our desire to keep learning and growing.

Enjoy a full weekend of renewed creativity and reconnecting with fellow artists. Class sessions are from 10 am to 4 pm, Friday, Saturday and Sunday. \$100 non-refundable deposit holds your space; full amount due September 1, 2021. Space is limited; register early!
